Dated 7 8 43

[Despatch Abstract.]

PORT DEPARTMENT - Port Office, Mangalore, Special pay of Rs.90/-, paid for attending to the duties connected with the Coir Department at Mangalore to be attached to the Post of Port Officer, - procedure for drawal and accounting of special pay revised.

D.O.No.1730/A/42-b.

Presidency Port Office,
Madras, 31st December 1942.

My dear Warren,

Presidency Port Officer - Charge allowance - revision of pay - Government Memo No.4471-VI/42-1, P.W.D. dated 12-12-1942.

I would request a reconsideration of the orders on the above subject in the following circumstances :-

1. Mr. Sims, Port Officer, Calicut who was recently in additional charge of the port of Mangalore, drew emoluments as under .-

Pay @ Rs.1200 p.m. in the scale Rs.600 - 1200 Overseas pay @ £.25/- p.m. Special pay @ Rs.40-8-0	as Port Officer, Calicut.
Pay @ Rs.240/- p.m. -G.O.No.R.532, P.W.D. dated 2-9-42 Special pay for Coir work @ Rs.90 p.m.	for additional charge of the port of Mangal

2. As the special pay of Rs.40-8-0 is for charg of the port of Tellicherry, it is not clear why I am not permitted to draw it as in the case of Mr. Sims, w drew similar special pay attached to the Port Officer, Mangalore. If the Tellicherry charge held by the Port Officer, Calicut be considered to be a separate charge a separate additional pay for this would be payable under instruction (1)(b) under F.R.49.

3. Another difficulty is that, for the purposes of calculation of additional pay for the additional charge of the port of Calicut, the special pay of Rs.250/- p.m. drawn by me is not included. It really forms part of my pay and as such, it should count for the above purpose. But the term 'Substantive pay'

as

as defined in F.R.9(28) excludes it. As the special pay counts for leave and pension, no extra financial liability is involved by merging it with my pay. I would accordingly request that this point may receive further consideration and my basic pay, revised. Either a suitable time-scale of pay or at least a 'fixed' pay not lower than Rs.1,450/- p.m. may be attached to the post. If this is done, the calculation of additional pay for the above purpose can be made with reference thereto, and I will not be a loser of the additional pay at Rs.50/- p.m. for the period in question.

In the case of future entrants, officiating pay can, under F.R.35, be fixed at an amount lower than the above rate of pay, if considered necessary.

Yours sincerely

D.D.Warren, Esq., I.C.S.,
Secretary to Government,
Public Works Department,
Madras.

My dear Raffle,

Re: [illegible] - Charge allowance Revision of pay -

Your D.O.No.780 A/[illegible], dated 21st December 1942.

In regard to the points raised by you in the above D.O. the ~~position is~~ I am to point out that the allowance given to the Port Officer, Mangalore, for attending to duties connected with the coir depot at Mangalore is in the nature of a special pay for extra work (i.e. Class II Special pay - vide item 31 on page 14 of Madras Manual of Special Pay and Allowances Volume I) At present the special pay is not attached to any post and is drawn from Provincial revenues. ~~As~~ The pay of the Port Officer, Mangalore being paid from the Major Ports Fund the special pay paid from Provl. revenues is not attached to that post. The special pay therefore remains payable to ~~the incumbent of the post of~~ the Port Officer, ~~Mangalore~~ who does the coir work, irrespective of whether he is the Port Officer, Mangalore or whether he holds the post only as an additional charge.

The special pay for charge of the port of Tellicherry is attached to the post of Port Officer, Calicut. The additional pay admissible under F.R. 49 for holding additional charge of the Ports of Calicut and Tellicherry cannot exceed half the minimum pay of the post of Port Officer, Calicut viz. Rs.240. This has been allowed to [illegible] special pay of Rs. 40-8-0 cannot therefore be allowed to draw in addition as it will not be in accordance with the provisions of F.R. The [illegible] allowance [illegible]

hile you ~~were~~ not entitled to draw the special pay
f Rs.40/8- attached to post of Port Officer, Calicut.) However, in order to avoid the anomalous position now
xisting as mentioned by you, the Govt. propose to
ttach the special pay drawn by the Port Officer,
angalore to that post (vide - G.O.Ms.No. 1594 dated 7-8-43)
.W(Fin) - Copy enclosed).

No purpose will be served by merging ~~of~~ the
pecial pay of the P.P.O. in his pay since charge
llowance payable is limited to half the minimum pa,
the additional post. ~~plus~~ The minimum pay of Port
fficer being Rs.480/-, you would still be eligible
draw only Rs.240/- p.m.

I am to add that as your requests
~~recommendations~~ have already been considered, no
~~Yours sincerely,~~ notice will be taken of any further
representations in the matter.

From C. Vijayaraghavan, Esq.,
Presidency Port Officer - Charge allowance - Revision of pay - Your D.O.No.4.VI/43-8, dated 7th August 1943

I am in receipt of your above D.O. and note with regret its contents and am especially surprised at the last para thereof as there seems to have been no necessity for this. On your own argument, even an officer on the minimum pay of the post of Port Officer, Calicut is still entitled to draw Rs.40-8-0 charge allowance for Tellicherry Port. This would make the minimum pay of the post Rs.520-8-0; also since the merging of the special pay at Mangalore into the basic pay of the Port Officer at Mangalore, the minimum pay at that Port would now be Rs.570, (Rs.480+90).

As I have been peremptorily debarred from making further representation

representation on this matter, I am pointing out these facts to you in case you may have overlooked them.

SIR,

Subject:- Special pay for coir duty - Calculation for leave salary and debit to Government revenues.

I have the honour to state that under item 64 on page 21 of the Madras Manual of Special Pay and Allowances, Volume II, the Port Officer, Mangalore is paid from Government revenues a special pay of Rs.90 per mensem for attending to the duties connected with the coir depot at Mangalore. The question has arisen whether this special pay is to be taken into account for calculating the leave salary of the Port Officer and if so whether the increase in the leave salary of the officer due to the inclusion of the special pay is to be paid from Government revenues.

As the Port Officer does not hold any post under Government, he does not earn any leave and the question of paying leave salary from Government revenues does not therefore arise. Leave salary has, however, been drawn in the past from Provincial revenues on account of this special pay. The Presidency Port Officer, Madras has

has furnished a copy of this office letter No.G.A.III-Genl 2661 dated 26-3-1930 to Mr. W.F. Ruffle (copy enclosed) as authority for the payment. The circumstances in which thi office letter was issued are not clear and no papers are traceable on the point.

A reference is in this connection invited to the para graph in Appendix 21 on page 392 of the Madras Audit Manua as inserted by Correction Slip No.41 of XXXIII List dated 5-4-1940 from which it will be seen that the Government of India have decided that when a provincial Government serva appointed to hold a post under the Central Government in addition to his own post under the former, the whole of the increase in the leave salary due to his holding a Central Government post is debitable to that Government. On this analogy the increase in the leave salary of Port Officer, Mangalore due to the inclusion of the special pay for coir duty may be debited to Government Revenues. I request the favour of early orders of Government in the matter.

I have the honour to be, Sir,
Your obedient servant,

1308
CA98/92

As regards the special pay of Rs 40-8-0 claimed by the P.P.O for the period of additional charge of the post of Calicut, held by him, the Examiner has held that the total emoluments drawn by the P.P.O should not exceed Rs 240/- p.m. -Cf. in this connection F.R 49 and 9 (24) of the Fundamental Rules. Under the rules, Mr. Sims would correctly draw the special pay of Rs 40-8-0 attached to the Calicut post in addition to the charge allowance of Rs 240/- p.m. for holding the Mangalore charge. But according to the Examiner's ruling referred to above, Mr. Sims would not be eligible to draw the special pay of Rs 90/- attached to the Mangalore post. The payment to Mr. Sims has probably been made since the special pay of Rs 90/- ~~has been~~ is audited by a different audit viz the A.G. Madras). In order to avoid such payments in future, the A.G. may perhaps be instructed that in such cases he may pass the claims for special pay in consultation with the Examiner L.F. Bills. Mr. Chandra Rao Exa. No

Office of the Accountant General, Madras,
Bangalore, dated the 28th April 1943.

Under item 64 on page 21 of the Madras Manual of Special Pay and Allowances (Volume II) the Port Officer Mangalore is paid a special pay of Rs.90/- per mensem for attending to the duties connected with the coir depot at Mangalore. There is no post paid from Government revenues to which the special pay can be attached. As the post of Port Officer, Mangalore is paid from Minor Ports Funds, the special pay paid from Governmer revenues cannot be considered as attached to that post The special pay can therefore be paid to the Port Officer, Mangalore who does the coir duty irrespective of whether he is the Port Officer, Mangalore or whether he holds the post only as an additional charge For the purpose of regulating the additional pay admissible for the additional charge under Fundamental Rule 49, only the emoluments attached to the post should be taken into account and not the special pay which is not attached to the post. In the circumstanc the special pay drawn by Mr.Sims seemsto be in order.

2. If, however, Government consider that notwithstanding the fact that the special pay is paid fro Government revenues, it should be treated as attached to the post of Port Officer, Mangalore, the special pa may appropriately be audited by the Examiner of Local Fund Accounts and a slight change in the procedure o drawal and accounting as indicated in the succeeding aragraph is suggested for adoption.

3. A separate bill is now drawn for the special ay and it is paid from the Government treasury, while he pay and allowances of the Port Officer are paid rom Minor Port Funds. The special pay may, in future e also drawn in the seme bill in which pay is drawn a t may be paid from Port Funds in the first instance. t the end of the year, the Examiner of Local Fund Accounts may be asked to send a statement to this office f the amounts drawn for the period from 1st March o end of February and debitable to Government revenue n account of special pay paidfor coir duty in the ollowing form so that this amount may be finally djusted by debit to Government and credit to Minor ort Funds in March final accounts of this office.

Name of Officer.	Period of duty or leave with information as to the kind of leave.	Amount of special pay drawn every month.

4. It is observed from the U.O. that the special pay was originally sanctioned as a conveyance allowance The circumstances in which it was later converted into special pay are not known. Copies of orders referred to in paragraph 1 of the U.O.Note dated 13-4-43 may kindly be furnished.

The points for consideration are

(a) whether the drawal by the Port Officer Cochin, of the special pay of Rs 90/- was attached to the Port Officer at Mangalore, during the period of his additional charge, was in order; and

(b) whether, in order to avoid the anomalous position mentioned by the P.W.D. the special pay may be attached to the post of Port Officer, Mangalore, and the procedure suggested by us in para 3 on p 6 ante, ~~may be~~ adopted.

The allowance given to the Port officer, Mangalore, for attending to duties connected with the Coir depot at Mangalore is in the nature of special pay for extra work (ie Class II Special pay vide item 64 on page 21 of the Madras Manual of Special Pay and Allowances, Vol II).

As regards the points raised in P.W.D. note above, (a) above seems to be in order in view of the position explained by the A.G. at X on page 6 ante.

2 Point (b) above: Please see paras: 2 and 3 of the A.G's note at page 6 ante. The proposal is not open to objection in Finance and may be accepted

1. The points raised (by the PPO) in this file are

(1) that Mr. Sivan, Post Officer, Calicut draws special pay attached to the Calicut post and also the special pay of Rs 90/- attached to the Manjalore Post Officer while he held addl. charge of the latter post of Post Officer and that on the same analogy the PPO. also should be granted the addl. pay attached to the Calicut post while he held full charge of that post

(2) that his own special pay of Rs 250/- (as PPO.) should be merged in his pay proper and that either a suitable time scale of pay or a basic pay of not less than Rs 1450/- should be fixed for the post of PPO.

2/ As regards (1), it appears from the notes of the Examiner and the A.G. that, if the special pay is not attached to a post, it can be drawn by the officer holding additional charge, without regard to F.R. 49, and that in cases where the special pay is attached to the post, F.R. 49 will become operative, as the additional charge allowance will be limited to half the presumptive pay of the additional post. The charge allowance drawn by Mr. Sivan appears to be in

Examiner's Office.

It is a matter for Government to decide whether the special pay of Rs.90/- paid to the Port Officer, Mangalore, for attending to the duties connected with the Coir Depot at Mangalore should be treated as attached to the post of Port Officer, Mangalore, or not. If the special pay is treated as attached to the post, this department will have no objection to the procedure suggested by the Accountant General in paragraph 3 of his U.O.note dated 28th April 1943 being adopted.

2. This department, too, is not aware of the circumstances in which the conveyance allowance originally sanctioned was converted into a special pay. Copies of the orders referred to in paragraph 1 of the P.W.D. note dated 13-4-43 (on page 5) have not also yet been furnished to this department.

Mr. W. F. Ruffle, Presidency Port Officer requests a reconsideration of the orders issued in

(1) G.O.Ms.No.2468-P.W., dated 16-7-42 re. his charge allowance for holding additional charge of Port Office, Calicut an

(2) G.O.Ms.No.3089-P.W., dated 29-8-42 re. increase in his scale of pay.

(1.) Charge allowance: Mr. Ruffle, while holding addition charge of the post of Port Officer, Calicut, was given an allowanc of Rs.240 p.m., being 1/5 of his substantive pay and not more than half the minimum pay of the post of Port Officer. This is the maximum permissible under F.R.49. Mr. Ruffle's contention is tha he should be paid the special pay of Rs.40.8.0 attached to the pos of Port Officer, Calicut for work connected with the Tellicherry Port and cites as analogy the case of Mr. Sims, Port Officer, Calicut when holding charge of the Port Officer, Mangalore, havin been allowed to draw in addition to the charge allowance of Rs.240 the special pay of Rs.90/- payable to the holder of the latter pos

The special pay for charge of the port of Tellicherry is attached to the post of Port Officer, Calicut. The addition pay admissible under F.R.49 for holding additional charge of the Ports of Calicut (Tellicherry) cannot exceed half the minimum pa of the post of Port Officer, Calicut, viz. Rs.240/- and this has been allowed to Mr. Ruffle and the special pay of Rs.40.8.0 canno also be allowed to him in addition as it will not be in accordan with the provisions of F.R.

In regard to the special pay of Rs.90/-allowed to Mr.Sims for attending to the coir duties at Mangalore, it is in the nature of special pay for extra work in class II , Special p vide item 64 on page 21 of the Madras Manual of Special Pay and Allowances, Volume II. At present the special pay is not attached to any post paid from Provincial revenues. As the pay of the Port Officer, Mangalore is paid from Minor Ports Fund, th special pay paid from Provincial Revenues is not attached to tha post. The special pay therefore becomes payable to the incumben of the post of Port Officer, Mangalore, who does the coir duty irrespective of whether he is the Port Officer, Mangalore or whether he holds the post only as an additional charge.

The charge allowance drawn by Mr. Sims is thus in order though he drew special pay in two places (Calicut and Mangalore) whil Mr. Ruffle was not entitled to draw the special pay of Rs.40.8.0 attac to post of Port Officer, Calicut. However, in order to avoid the anomalous position now existing, it is proposed, in consultation with Accountant General and Examiner, to attach the special pay drawn by th Port Officer, Mangalore to that post. Public (Political) and Finance agree.

(2.) Increase in the scale of Presidency Port Officer's pa

Mr. Ruffle requests that his special pay of Rs.250/- p.m. may be merge in his pay, so that he may be eligible to draw additional charge all: ance at 1/5 of his consolidated pay of Rs.1450/- in which case he migh get Rs.50/- more. The charge allowance payable is limited to half th minimum pay of the additional post. The minimum pay of Port Officer, being Rs.480/-Mr. Ruffle would be eligible to draw only Rs.240/- p.m. and the merging of the special pay as proposed by him will not secure his object.

As regards his request for the grant of a suitable time scale of pay , this question was considered and dropped, vide notes at pp.3-5 [of G.O.No.3089-P.W., dated 29-8-42. vide also memo no. 4471/VI/42-1 dated 12.12.42 on p 9 of the ago.

A draft d.o. to Mr.Ruffle explaining the position and a dra order are submitted for approval.

Draft 30.7.43. Ruffle 31743

In G.O.No.2468, P.W., dated 16-7-42 the P.P.O. was given an additional pay of Rs.240 p.m. for the period he was in full additional charge of the Port Office, Calicut. As soon as he received this order he wanted the scale of pay of the P.P.O. to be revised by merging the special pay of Rs.250/ attached to the post of the P.P.O. with the maximum pay of the ~~via~~ and fixing a consolidated basic pay for the post of P.P.O. with two or three increments viz., Rs.1450-100-1750. This was refused in G.O.No.3089 dated 29-8-42 and his request in November last to reconsider this order was also turned down. The present petition is the third attempt to get the above orders revised He has been allowed the maximum additional pay permissible

and the merging of his special pay of Rs.250 in his pay will not help him as the additional allowance cannot exceed half the minimum pay of the post of Port Officer, Calicut viz., Rs.240/. As regards the special pay of Rs.40-8-0 attac to the post of Port Officer, Calicut, the position is as stated in the office note. The P.P.O. is very unreasonabl and persistent and as he is giving unnecessary extra work t the Secretariat, I think he should be told that no notice will be taken of any further representation in the matter.
